

***Franklin Aero Club
EAA Chapter 1377
September 2004***

B-17 at Newport News

Flights and ground tours on Friday, Saturday and Sunday of Halloween Weekend

Chapter 156 is hosting this event with volunteers from Chapter 1377 & Chapter 339. Contact Bryson Trumble at Franklineaa@aol.com to volunteer. The more volunteers we have, the more money our chapter will make for the treasury!!!

Chapter Elections for 2005

**AVIATION TUTORIALS COMPANY PROVIDES FREE
ONLINE COURSE ON METAR’S AND TAF’S**

Aviation Tutorials Company, LLC has created a FREE online course on METAR’s and TAF’s. Nearly 2 hours of online, interactive training is provided, and is available to anyone who visits Aviation Tutorial’s website. Users can find the link to the tutorial at www.avtutorials.com, at the bottom of the main page.

This tutorial on METAR’s and TAF’s is unlike any other such training. It not only teaches the most basic aspects of METAR’s and TAF’s, but also provides training on components that most pilots are unaware of. Still, learning is made easy and fun, through full voice narration and easy-to-use controls.
